Supreme comfort for every patient with two new treatment chairs

We are pleased to announce that we have installed two brand new KaVo treatment chairs.

New modern dental chairs are very important in ensuring the highest sterilisation protocols can be obtained. Our new chairs have state-of-the-art hygiene standards (as specified by the

guidelines of the Robert Koch Institute) including automated rinsing programs and reflux prevention systems. These systems reliably protect our entire water supply and hence protect us and our patients.

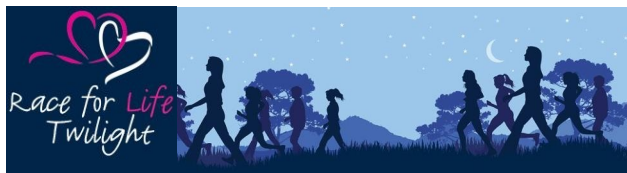

The new chairs also offer patients enhanced comfort thanks to the soft upholstery, ergonomic shaped seat and an integrated lumbar support. They also have a unique seat-height adjuster which allows every patient, adult or child, to lie comfortably, which is especially useful for patients with back problems. We believe a

comfortable position means calmer, more relaxed patients - See what you think at your next visit - We hope you agree!

TePe Interdental Gel with Fluoride - have you tried it yet?

The space between your teeth is a high risk area for tooth decay to develop. TePe Interdental Gel with Fluoride is specially designed for use with interdental brushes to clean between your teeth. Fluoride can help to strengthen the enamel and offers protection against interdental decay.

Please ask a member of the practice team for more information.

Please help us to raise money for Cancer Research UK

On Friday 5th October 2012, some members of the Priory Dental Care team will be donning their trainers, fairy lights and glow sticks to join in the **Race for Life Twilight 5k** in aid of **Cancer Research UK**

Cancer Research UK are the largest single funder of cancer research in the UK, saving millions of lives with ground-breaking work into preventing, diagnosing and treating cancer.

Cancer Research UK is funded entirely by the public and, thanks to their groundbreaking work, more people are beating cancer than ever before.

Please help us to raise as much money as possible. Any donation, big or small, will be very much appreciated. We have a sponsor form at reception or, if you prefer, you can donate online at www.raceforlifesponsor.me.org/priory-dental
